Please: sending all pictures of this text to an international network news and social media to the authorities and heads of judges and inspectors of the courts and international organizations to other innocent people who were tormented and threatened by this criminal and terrorist group with danger and death in the world. The non-responsiveness of international criminal and human rights courts (7) years of sending and personally delivering my complaint documents to this court. These are innocent people and international thieves who in order to achieve any of their terrorist goals against me, have committed any crimes or traumas or even extensive thefts against me and other innocent people. A dangerous person that she working in CSIS organization of CANADA, she by using the extensive power of influence in his position in CSIS organization of CANADA, was still able to force all the personnel in all government and organizations, as well as non-government organizations, to cooperate with all the members of this international terrorist group through threats and coercion (she suffered by leader of this terrorist group) in international criminal and terrorist group subjected me and many other refugees and innocent people in Vancouver of CANADA and the United States (USA) to the most severe tormented (injection toxic removed personal and social terror and death threats (in the form of physical and aggressive) for a long period of times, about 7 years. Violation of my privacy (my safety box #146) in BANK (180-65 Plaque in unit 2, north Vancouver, BC) and theft of all my complaint documents and destruction of all top secret information from inside of 5 USB flash memories that are linked to the text of my complaint which was accompanied by the introduction of the names of all the influential people under the support of this large international terrorist group within the US, as well as the facilities San Diego and Colorado organizations of the United States (USA), all these events were caused by a number of people and personnel under the support of this international terrorist group. Acted against me in a cruel manner and against international legal entry with my Canadian passport to the Los Angeles international airport on 03/feb/2023, which violated international laws and without any legal reason, I ended up being arrested and tormented quickly transferred to prisons owned by facilities San Diego and Colorado organizations with a long period of eight months which was carried out against me. It should be noted that if any act of terror or threat of death occur by each of the members of this international terrorist group or any point of the world, and put my life on a serious danger, in addition to this terrorist group responsibility also, the Vancouver security police department of Canada, as well as other Canadian organs, because all those agents and offending personnel inside these organs lead them to cooperate of their widespread support for this international terrorist group not only for living conditions, but for a large number of refugees and other innocent people in Canada and other countries I have insecure, at which time, all these offending security officials and security officials that international terrorist group could easily lose my life and other refugees, innocent people and other countries. They should be addressed and accountable for international criminal and human rights courts.
